

Sing Ireland's Cruinniú na nÓg Virtual Choir Parental Consent Form

Should your child wish to be a part of this project we require parental consent before submission of videos. All data, video and audio submissions and final project will be stored for the duration of the project in line with Sing Ireland's Data Protection Policy and Child Safeguarding Policy and will be deleted once the final video is completed.

The name of the young person will never appear anywhere, linked with the completed video image.

This form must then be returned to Sing Ireland through WeTransfer along with your video. Please note without a consent form a video cannot be used.

Please note if you have more than one child submitting a video a form must be submitted for each separately.
